

You are looking for something special? So are we.

You are interested in a consulting career in the Telecommunications, Media, and Technology (TMT) sector? Join Altman Solon, the world's largest strategy consulting firm exclusively focused on these dynamic sectors.

We offer intellectually challenging full-time opportunities for graduates. Make a difference in TMT, take on exciting responsibility, work in a global and passionate team, and develop new skills.

Benefit from a global perspective: Our projects are staffed internationally. Work for a truly global, diverse, and highly motivated team and take on new responsibility across client engagements.

Develop and grow your skills: At Altman Solon you have direct access to senior leadership, strong mentor relationships and fantastic training opportunities in a rapidly growing organization. We invest in your personal development.

Join a passionate team with an entrepreneurial company culture: We strive to build a culture of diverse yet like-minded people, passionate about solving problems, making an impact, and having fun.

We grow together with you

You have completed your degree with high academic performance. You have already gained some relevant professional experience. You are looking for work in a highly qualified and performance-oriented team. With strong English skills, you easily work in an international environment across our offices in Boston, London, Los Angeles, Mexico City, Milan, Munich, New York, Paris, San Francisco, Singapore, Sydney, Warsaw, and Zurich.

Start your career at Altman Solon!
