

# Discover: Life as a Data Scientist

June 23 at 4.30pm  
BCG Munich Office

You are currently pursuing your PhD or master's degree and are **passionate** about **advanced analytics**? Would you like to combine a **Data Science** and a **Consulting** career? Then join us at our Event to get a true feel of what it is like to work at BCG GAMMA!

This is your exclusive chance to connect and exchange ideas, and to meet our Data Scientists! Experience up close how BCG GAMMA combines tech and consulting skills in an interactive case study and enjoy dinner while networking! **Apply by June 19** with your resume (incl. grades) by scanning the QR code.
