

Rohde & Schwarz Engineering Competition

BRING SIGNAL ANALYSIS TO THE NEXT LEVEL!

Completely online!
Win up to **USD 10,000!**

Online qualifiers:
April 26 to May 14, 2021

Online finals:
May 20 to 21, 2021

We believe the heart of innovation lies in smart software solutions!

That is why we constantly check and challenge the status quo of communications engineering. Now it is your turn: bring conventional signal analysis to the next level and develop a smart algorithm to estimate the right signal parameters. Build a team of electrical engineers, computer scientists or similar, join in and win up to **USD 10,000!**
